

Do You Need Help Putting Food On Your Table?

People to People

- Rockland County's Primary Hunger Relief Organization -

Can Help!

The People to People Food Pantry

- Is conveniently located at 121 West Nyack Road in Nanuet, N.Y.
- Is open five days a week.
 - Monday through Friday from 9:30 a.m. to 4 p.m.
 - Thursday until 7 p.m.

The People to People Food Pantry

- Provides emergency food packages to Rockland residents in need.
- No appointment is necessary to receive emergency food packages but proof of Rockland residency and a photo ID is required.
- Emergency food package recipients are given an appointment to meet with PtoP volunteers to provide information to assure that all PtoP food package recipients meet income eligibility requirements outlined by the Regional Food Bank of Northeastern New York.
- Once income eligibility is determined, Rockland residents in need are scheduled for monthly food pick-up appointments where they receive approximately two-weeks worth of non-perishable groceries, fresh fruits and vegetables, meat, poultry, dairy and bread. In November certified PtoP clients are provided with turkeys and all the fixings for a traditional Thanksgiving meal.

People to People Provides *More Than Food*

- Certified People to People clients are eligible to participate in other People to People programs including:
 - The Clothes Closet -- While at PtoP to pick up their monthly food packages, PtoP clients may select two or three items per family member of clean and gently-used clothing.
 - Back to School with Dignity - Children of certified PtoP clients are provided with new backpacks filled with grade-appropriate school supplies.
- Project Joy! - PtoP donors "adopt" families based on letters written by PtoP clients that describe their situation, their needs and their children's gift wish lists.

People to People works to help our struggling neighbors through difficult times with dignity. If you are struggling, can't make ends meet and need help putting food on your table, call the

People to People Help Line
